Coming from Werner-von-Siemens-Allee turn into Heinz-Nixdorf-Straße. Drive all the way up the street to place X (house number: 6).

The following parking options await you

There are four parking spaces directly at place X - including one barrier-free parking space (see signage: customer parking spaces). You can access the building via the door to the left of the four parking spaces or via the stairs to the main entrance.

You can also use the parking garage to the left of place X. You can use the non-signposted parking spaces here.
